

Directions: From M62

Route 1: HGV route. Exit motorway at J7 and take the A570 Linkway. Continue along this road, following signs for St Helens Town Centre and turning at the 4th roundabout onto Linkway West. Through one set of lights, take 1st left at the roundabout following signs for A58 Liverpool. Continue through lights onto Borough Road. Insulation factory is sign-posted left, through the "Shires". Continue to the HGV entrance.

Route 2: Exit motorway at J7 and take the A57 to Prescott. Continue for 1.5 miles, turning right at traffic lights onto the B5413 (after Rainhill railway bridge). After 2 miles, turn right at the 'T' junction traffic lights (A58). Continue for a further ¼ mile, turning right into Stafford Road. Knauf Insulation lodge is ¼ mile down hill on the left.

Directions: From A580 (M6)

Route 3: Exit at A571. Continue along the A571 entering town centre along College Street. Go right at the small roundabout and ahead at the next into King Street (keep left). At the roundabout, take 3rd exit off following A58 Liverpool. Continue on Borough Road/Prescot Road through two sets of lights. Turn left into Stafford Road. Knauf Insulation lodge is ¼ mile down hill on the left.

Route 4: Exit at A570. Continue along the A570 past the Crematorium to a one-way system. Continue along Greenfield Road to the lights and turn right into Boundary Road. Take the next left into Kirkland Street. At the roundabout, take 4th exit following A58 Liverpool. Continue on Borough Road/Prescot Road through two sets of lights. Turn left into Stafford Road. Knauf Insulation lodge is ¼ mile down hill on the left.

NB On Routes 3-4, HGV's should use the entrance through the "Shires" off Borough Road (Route 1). Non-HGV's may follow all routes but access only via Stafford Road.
